Destination: Omaha's Henry Doorly Zoo

Departure Time: 9am

Cost: \$17.95+tax or \$16.95+tax Seniors and Military
(Purchase at Zoo)

Spend Saturday at the #1 Zoo in the World, located right here in Omaha. Take a trip through the world's largest indoor desert by visiting the Desert Dome, seeing all of the animals and plants it has to offer. Beneath the Desert Dome is the Kingdom of the Night, showcasing a swampland and nocturnal animal exhibits. New to the zoo is the African Grasslands featuring 28 acres of savanna. It showcases zebras, lions, giraffes, and 7 elephants along with other African animals. A visit through the 1.3 million gallon saltwater Scott Aquarium will have you feel like you are actually underwater with its Shark Tunnel. It also has jellyfish, tropical fish, sea turtles, stingrays, penguins, and more. The Henry Doorly Zoo has America's largest indoor rainforest, the Lied Jungle. This area features two stories of jungle plant and animal life and takes you through different jungles around the world, including Asian, African, South American and more. The Hubbard Gorilla Valley is a three acre site that allows gorillas to roam free and puts the visitors on display. This exhibit and facility allows for Omaha to be a major player in gorilla conservation.

A no-host lunch will be available at the TreeTops Restaurant (burgers, chicken fingers, sandwiches, salads, desserts and more), Tusker Grill (Features African Food or a few American selections), or at one of the many concession stands located on the grounds (hot dogs, popcorn, ice cream, and more). Transportation will be provided by Nebraska Eta Guys.
