

CA Omicron is selling green and navy tote bags with the Delta Theta Chi letters in gold. The tote bags are made of polyester canvas with self-fabric handles. They measure 14"hx14"wx5.5"d and are very durable. We will be selling them at Alcyone Province Spring Open Board in April and at National Convention in June for \$20 each. Please contact Ruthi Enyeart at ruthi.enyeart@gmail.com if you are interested in purchasing a tote and at which event you will be picking it up. If you will not be attending SOB or National Convention but want a tote bag, please make arrangements to have someone pick it up for you. We would prefer not to ship, but if we must, you will be charged the cost of shipping. Thank you!
